~~Julian Dustin Callos~~

EDUCATION

Far Eastern University Institute of Technology

March - 2025

Bachelor of Science in Information Technology

Specialized in Service Management & Business Analytics

Far Eastern University Senior High School

March - 2019

STEM Strand

CERTIFICATIONS

Information Technology Specialist in Networking

July – 2023

WORK EXPERIENCE

Information Security Internship | Onsite

March – January 2025

- Conducted vulnerability assessments and penetration testing for improved system security.
- Contributed to the development of security policies and procedures.
- Collaborated on incident response efforts, enhancing overall cybersecurity resilience.

ACADEMIC PROJECTS

Information Security

January - 2024

- Led a team in developing a scalable cloud-based application, ensuring efficient deployment and maintenance.
- Implemented robust data encryption measures, enhancing the project's overall security posture.
- Streamlined codebase and optimized performance, resulting in a 20% improvement in application responsiveness.

Website Development

March - 2024

- Designed and implemented responsive user interfaces, ensuring a seamless and visually appealing experience for website visitors.
- Utilized HTML, CSS, and JavaScript to develop and optimize website functionality, enhancing overall performance.
- Collaborated with cross-functional teams to gather requirements and implement features, contributing to the successful delivery of the website project.

Database Implementation

July - 2025

- Led the implementation of a database system, optimizing data storage and retrieval processes for increased efficiency.
- Collaborated with the development team to design and deploy a scalable and responsive database architecture.
- Conducted performance testing and fine-tuning, ensuring the seamless functionality of the database in alignment with project objectives.

SKILLS

- **Technical Skills:** IT Troubleshooting, Incident Response
- **Protocols & IP:** IP, TCP, DNS, DHCP, VLANs
- **Operating Systems:** Windows, MacOS, Linux
- **Software:** C++, Java, Python, SQL
- **Languages:** Filipino (Native), English (Fluent), Chinese Simplified (Basic)
- **Networking:** WAN and LAN connectivity, routers, firewalls, security
- **Problem-Solving:** Troubleshooting and Analytical
- **Customer Service:** Customer-Oriented

ADDITIONAL EXPERIENCE

Store Front Manager | Mei Ying

2018 - Present

- Managed daily operations, overseeing staff, and optimizing customer experiences as the Store Front Manager at a wholesale foods store.
